Hi Erin and All-

As promised please find the attached draft discharge modeling report, appendix B of the EMP. Please note it is a draft right now but should answer the questions you have. Let me know if you have any questions or concerns about the modeling report. Saying that it sounds like we'll have the opportunity to discuss the modeling report, and the revised EMP at the follow up meeting tentatively scheduled for the end August. We are shooting to have the revised EMP, per the discussions on Wednesday, to you a week prior to the follow up meeting.

Thanks again for meeting with us.

Regards,

Lana
